INTRODUCTION: SCORING FORMS

CONTENTS AND ORGANIZATION

General Scoring Forms are provided at the beginning of this section and are followed by the Individual Offense Reference Sheets. The General Scoring Forms are categorized according to the twelve types of offender scoring rules: Burglary 1; Residential and Burglary 2; Escape - Scoring Rule 1; Escape - Scoring Rule 2; Felony Traffic; Nonviolent; Nonviolent Sex; Serious Violent; Serious Violent Sex (Rape 1); Violent; Drug; and Violent Sex. Table 5, Offense Scoring Categories (page III-9), displays the crimes in each of these categories. The offenses are also listed on the top of each scoring form. The Individual Offense Reference Sheets are arranged alphabetically. The individual sheets for controlled substances, imitation controlled substances and legend drug crimes are grouped together. Indexes are provided for each group of forms. Please note that the General Scoring Forms do not present sentencing option eligibility (e.g., work release, work ethic camp). Please refer to Individual Offense Reference Sheets for sentencing options.

The 1990 Legislature created a new finding for crimes committed with sexual motivation effective for crimes committed on or after July 1, 1990. The definition of sex offenses was also amended so that crimes with a sexual motivation finding are defined and scored as sex offenses. On the reverse side of most General Scoring Forms is a corresponding version for offenses in that category with a sexual motivation finding.

LEGISLATIVE CHANGES

The 1998 Regular Session of the Legislature resulted in a number of important modifications to the Sentencing Reform Act and related statutes.

Mentally Ill Offenders

The Legislature authorized courts to order a pre-sentence report before imposing a sentence, when a court determines that a defendant may be a mentally ill person. A court may order an offender, whose sentence includes community placement or community supervision, to undergo mental health treatment if reasonable grounds exist to believe that the offender is mentally ill. If the offender's failure to receive care presents a risk of serious physical harm or a probability of harmful consequences, the civil detention and commitment procedures under RCW Chapter 71.05 are to be considered in preference to incarceration.

Work Ethic Camp

The Legislature repealed the statutory section that sets a sunset date for the Work Ethic Camp.

Sex Offender Registration

The Legislature extended registration requirements under RCW 9A.44.130 to include offenders who are admitted to public or private institutions of higher education. The law requires offenders to notify the county sheriff within ten days of enrolling in a public or private institution of higher education.

A sex offender subject to registration requirements must send written notice of a change of address to the county sheriff within 72 hours of moving. An offender who applies to change his or her name must submit a copy of the application to the county sheriff no fewer than five days before the entry of an order granting the name change.

Increasing Sentences for Crimes Involving Firearms

The Legislature clarified the sentence enhancements for offenses involving firearms and other deadly weapons. Firearm and deadly weapon enhancements are added to adult felony sentences when there is a finding that an offender or accomplice was armed with a firearm or other deadly weapon during the commission of the offense.

- In cases involving more than one offense, where the underlying sentences are served concurrently and the enhancement applies to the offense with the shorter underlying sentence, the enhancement is to be served consecutively to the total of the concurrent underlying sentences.
- In cases involving more than one offense with an enhancement, the enhancements must be served consecutively to each other and to the underlying sentences, even when the underlying sentences are served concurrently to each other.
- In cases where the sum of the underlying sentence and the enhancement exceed the statutory maximum sentence for the offense, the enhancement may not be reduced. The underlying sentence would be reduced so that the total sentence does not exceed the statutory maximum.
- If an offender is convicted under RCW 9.41.040 for unlawful possession of a firearm in the first or second degree and for the felony crimes of Theft of a Firearm or Possession of a Stolen Firearm, or both, then the offender must serve consecutive sentences for each conviction of the felony crimes, and for each firearm unlawfully possessed.

Study on Aged and Infirm Offenders

The Legislature directed the Sentencing Guidelines Commission to study the feasibility and desirability of allowing certain older or physically infirm offenders to be released from institutional confinement, with the assumption that those released offenders would remain on community custody for the remainder of their length of confinement. The study must identify:

1. Groups who would be potential candidates for such a program;
2. How individual offenders in these groups could be screened to maintain public safety;
3. How these offenders, if released, could be supervised in such a way as to maintain public safety;

4. What statutory changes would be necessary to implement such a program;
5. How much savings such a program would generate; and
6. Any other items the Commission deems relevant.

The study must be transmitted to the chairs and ranking minority members of the appropriate policy and fiscal committees of the Legislature no later than December 15, 1998.

Sentence Enhancement for Prior DUI-Related Convictions

An offender convicted of Vehicular Homicide While Under the Influence of Intoxicating Liquor or any Drug receives the standard sentence plus an enhancement of two years for each prior DUI-related offense¹ as defined in statute. Courts are directed to verify current criminal history and driving records before entering a deferred prosecution, dismissing a charge, or sentencing for a DUI.

Changes to Specific Offenses

The 1998 Regular Session of the Legislature enacted various laws affecting specific felonies sentenced under the Sentencing Reform Act. These changes created new felonies, eliminated others, amended felony classes and seriousness levels, and changed the definitions of some offenses. These changes, including effective dates, are reflected in the felony lists in Section IV and summarized in Table 4 of this section.

¹ RCW 46.61.5055(8)(a): A "prior offense" means any of the following:

- (i) A conviction for a violation of RCW 46.61.502 or an equivalent local ordinance;
- (ii) A conviction for a violation of RCW 46.61.504 or an equivalent local ordinance;
- (iii) A conviction for a violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug;
- (iv) A conviction for a violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug;
- (v) A conviction for a violation of RCW 46.61.5249 or an equivalent local ordinance, if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, or of RCW 46.61.520 or 46.61.522;
- (vi) An out-of-state conviction for a violation that would have been a violation of (a)(i), (ii), (iii), (iv), or (v) of this subsection if committed in this state;
- (vii) A deferred prosecution under chapter 10.05 RCW granted in a prosecution for a violation of RCW 46.61.502, 46.61.504, or an equivalent local ordinance; or
- (viii) A deferred prosecution under chapter 10.05 RCW granted in a prosecution for a violation of RCW 46.61.5249, or an equivalent local ordinance, if the charge under which the deferred prosecution was granted was originally filed as a violation of RCW 46.61.502 or 46.61.520 or 46.61.522.

SENTENCE RANGES FOR ANTICIPATORY DRUG OFFENSES

The appropriate sentence ranges for anticipatory offenses (attempts, solicitations, and conspiracies) involving violations of the Uniform Controlled Substances Act (VUCSA) have been clarified through a series of court decisions and legislative actions. Table 6 presents the current status of statute and case law on appropriate sentence ranges for anticipatory violations of the Uniform Controlled Substances Act.

Table 6. Sentence Ranges for Anticipatory Drug Offenses

	SENTENCE RANGE	STATUTE
Attempt Delivery	Unranked (0 to 12)	RCW 69.50.407
Possession	Unranked (0 to 12)	RCW 69.50.407

RCW 9A.410 Anticipatory offenses. For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the crime, and multiplying the range by 75 percent.

In calculating an offender score, count each prior conviction as if the present conviction were for the completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

RCW 69.50.101(f) “Deliver” or “delivery” means the actual or constructive transfer from one person to another of a controlled substance, whether or not there is an agency relationship.

RCW 69.50.407 Conspiracy. Any person who attempts or conspires to commit any offense defined in this chapter is punishable by imprisonment or fine or both which may not exceed the maximum punishment prescribed for the offense, the commission of which was the object of the attempt or conspiracy.
